5. **2020 Annual Goals and Budget (Admin.)**

2020 Goals

2020 goals were approved with revisions (Mark moved, Paul seconded, motion passed).
**Budget**

2019 results showed that retreats went really well, with a shift towards retreats being shorter. We were over budget on revenue and under budget on expenditures, with a net operating revenue better than expected.

2020 budget was discussed. We may lose apartment donations, have fewer guest teachers. There is a desire to find an affordable maintenance person. Expenses shouldn’t change, and Ted felt current stipends were adequate.

Discussion was held regarding scholarships for marginalized individuals and people of color, including wording and whether it should be strictly need-based.

The budget was approved, including the following:

- 2.5% pay raise for Admin., Vicky, and guiding teachers
- $1000 stipend for Admin. professional development
- Increase in health care benefits to $3,720

Budget approval was moved by Wayne, seconded by Karen, motion passed.
